

Testing Bays

Rotating Machines

- Load Testing Variable Speed Drives
- Vibration Analysis
- Thermography
- High Capacity Load Testing of Rotating Machines
- Insulation Resistance
- Winding Resistance
- Polarisation Index
- Comparison Surge Test
- Dielectric Test
- Temperature Rise Test
- Performance Test
- Lock Rotor Test
- Dielectric Loss Angle testing

Transformers

- Insulation Resistance
- Winding Resistance
- Polarization Index
- Ratio Check
- Induced Test
- Iron Loss Test
- Copper Loss Test
- Temperature Rise Test
- DLA Test
- Sound Level
- Oil Testing
- Zero Sequence Test
- Test Auxiliaries
- Impulse Testing
