Dear Suzi,

RE: Xstrata Coal Contractor and Supplier Pre-qualification Audit

Thank you for your participation in the Level 1 pre-qualification audit conducted on 17th December 2009.

Under the Xstrata **Tahmoor Coal Contract Management Plan**, your **H.S.E.C.** (Health, Safety, Environment and Community) management systems have been deemed to:

- meet defined criteria
- be operational and
- align with Xstrata Coal New South Wales (XCN) policies, standards and procedures

ATMR Pty Limited has achieved an **assessment pass percentage** of **93.60%** and is now registered as a preferred XCN contractor/supplier. Your Level 1 Contractor Pre-Qualification Assessment Audit document is attached.

This **level 1 compliance** will be **recognised at all XCN sites** and remains in force for **three (3) years** from the date of the audit.

Most XCN sites should have details of this audit, however to safe guard your work please take a copy of this letter with you to each site.

Please make any further enquiries to:
